Chehalis-Western Trail
'Martin Way Bridge' Ceremony

Join Congressman Brian Baird on Saturday, June 6th as he celebrates National Trails Day with us by helping breaking ground on the Chehalis-Western Trail 'Martin Way Bridge'!

This is the second of three bridges that will connect the Chehalis-Western Trail over I-5, ultimately linking this trail with the Woodland Trail and the I-5 Bike Trail. Congressman Brian Baird will be on hand for this event, joining local dignitaries to kick-off this important regional trail project.

Festivities begin at 3:00 on the north side of Martin Way, where the Chehalis-Western Trail currently terminates. The location is readily accessible by bike from throughout the metropolitan area, and is served by Intercity Transit routes 62A and 62B. *Pacific Cataract and Laser* has generously offered use of their parking lot, located at their new building adjacent to the event site, for those who wish to drive.

Please plan on joining us as we celebrate the start of the second 'Bridging the Gap' project, the bridge over Martin Way. For more information please contact Thera Black at 360.956.7575 or email at blackvt@trpc.org.
