

SAVE MONEY

RIDE TRANSIT

The average cost of regular gas in Washington State is \$4.73*

The average cost of owning a new car is \$9,666 a year or \$805.50 per month

The average household spends 16 cents of every dollar on transportation - 93% of which goes to buying, maintaining, and operating cars

Riding Intercity Transit is **FARE FREE**

OTHER BENEFITS OF TAKING THE BUS:

- Reduce your carbon footprint.
- Cut your insurance costs by driving less.
- Relax, read, or work while you commute.
- Get more exercise by walking to and from stops.
- Be safer. Traveling by public transportation is 10 times safer per mile than traveling by car.
- Say goodbye to parking hassles.
- Get to know other people.
