Members requested to receive more information about the bill and other funding opportunities via email.</p>
<p>4a. Jurisdictional Information Sharing – All Members</p>	<p>Thurston County (Tye Menser) – The county has several applicants for the Climate Coordinator position that will be interviewing shortly. Staff are working on a forest conversion project and will be presenting to Planning Commission shortly. The county recently met with DNR regarding clearcutting near Summit Lake, and the public are planning a rally to protest several DNR regulations on September 6th. The county’s fleet manager is looking into the cost and requirements to transition their fleet to electric vehicles.</p> <p>Tumwater (Alyssa Jones-Wood) – The City is working with Tumwater Timberland Regional Library to install LEDs in the library, and is installing 3 EV chargers at City Hall. Tumwater’s Nissan Leaf will be in the TCAT EV car show at Harbor Days. Tumwater is working with the other jurisdictions in the Climate Plan to submit a phase one application to Commerce’s Clean Energy Fund for EV infrastructure planning.</p> <p>Lacey (Carolyn Cox) – Lacey is looking at installing more EV charging stations and contracting with a partner to conduct home energy efficiency work.</p> <p>Olympia (Lisa Parshley) - Olympia has received a gold Sol Smart designation. The City is beta testing a new climate and equity framework that will be used for all items brought to City Council, and</p>

	<p>continues to work with Habitat for Humanity on energy efficiency projects.</p> <p>Chair Parshley requested that climate staff from LOTT come present at a future meeting, and asked that the September or October CASC meeting be a retreat. Members preferred that the retreat take place in October.</p>
