Thank you for attending

*Tonight’s meeting is an open-house. There are no scheduled presentations. You are invited to circulate through the information stations at your own pace and have one-on-one conversations about the proposed draft district designs with the project team representatives.

The Port of Olympia encourages you to share your ideas or concerns for each of the four district’s draft designs using the provided comment forms or by making notes directly on the posters. Note takers are also on hand at each station to record your comments.
