MEMORANDUM

TO: Thurston Regional Planning Council
FROM: Karen M. Parkhurst, Planning & Policy Director
DATE: August 30, 2019
SUBJECT: Port of Olympia - Vision 2050

PURPOSE:
To discuss the Port Vision 2050 public outreach process, draft Plan and next steps.

Summary:
- In Spring 2018 the Port of Olympia kicked off their Vision 2050 initiative. TRPC participated in public outreach. The effort entailed interviews, focus groups, online surveys, contests, presentations, and intercept surveys at community events. In addition to education about what the Port does - and has the authority to do - we asked the community to share their ideas to “help shape the way our Port looks, feels, and functions in the future.”
- Staff will provide an update on what we learned and the Port’s next steps, including consideration of a Resolution to accept the elements of the Plan.
