

Meeting #6 Summary

August 29th, 2019, 12-1:30PM

TRPC, 2424 Heritage Ct. SW, Olympia, WA 98502

Agenda Item	Notes
1. Introductions & Project Updates	Self introductions of the Committee members present. Allison Osterberg gave a brief update of what has been happening with the plan.
2. Public Engagement Update	Allison Osterberg gave an overview of the public engagement for the plan. There is an online survey until the end of September. Public outreach is being continued at festivals and events through September. There was discussion from the Committee about other events and people for outreach potential.
3. Climate Mitigation Plan Vision, Goals, and Guiding Principles	Allison Osterberg presented an overview of the Plan’s Vision, Goals, and Guiding Principles with feedback from the Climate Advisory Workgroup. There was discussion from the committee and some changes of wording were requested. Action: Approved with specified changes from the Committee.
4. Actions and Criteria	Allison Osterberg presented and reviewed the draft evaluation criteria and initial list of actions with the Committee. There was discussion and suggestions from the Committee.
5. Jurisdiction Updates on Early & Ongoing Actions	Each jurisdiction provided updates. Allison gave next steps for the plan and the overview of the timeline for the plan.
6. Public Comments	There was 1 public comment. Brief summaries follow: Tom Crawford: Appreciation for the jurisdictions who are already working on early actions. Questions at what point the combinations of actions will be identified to get to the plan targets. It may not be too early to have conversations regarding revenue streams for actions.
